II. Basis for Jurisdiction

Federal Courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in Federal Court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same state as any plaintiff.

SCREENING ORDER GRANTING
PLAINTIFF LEAVE TO FILE A FIRST
AMENDED COMPLAINT

(ECF No. 1)

THIRTY (30) DAY DEADLINE

Plaintiff Danelle Renee Scoggin ("Plaintiff"), appearing *pro se*, filed the complaint in this action on January 28, 2020. (Compl., ECF No. 1.) Following an initial denial of her *in forma pauperis* application, Plaintiff has now been granted *in forma pauperis* status and her complaint is before the Court for screening. (ECF Nos. 2, 4, 6, 7, 8, 9.)

I.

SCREENING REQUIREMENT

Notwithstanding any filing fee, the court shall dismiss a case if at any time the Court determines that the complaint "(i) is frivolous or malicious; (ii) fails to state a claim on which relief may be granted; or (iii) seeks monetary relief against a defendant who is immune from such relief." 28 U.S.C. § 1915(e)(2); see Lopez v. Smith, 203 F.3d 1122, 1129 (9th Cir. 2000) (section 1915(e) applies to all *in forma pauperis* complaints, not just those filed by prisoners);

1 "Grandmother".

2 A copy of the screening order was attached to the document and therefore it is apparent
3 that the re-served document was received. Pursuant to the Local Rules of the Eastern District of
4 California, Plaintiff is required to keep the court updated with her current address. L.R. 182(f).
5 The Court will not make phone calls to attempt to track down Plaintiff. Further, all documents
6 filed in this matter must be signed by the person who is appearing *in propria person* (the
7 plaintiff). L.R. 131(b).

8 The Court shall have the order re-served on Plaintiff based upon the inference that
9 Plaintiff did not receive the document, but no further filings will be accepted in this action unless
10 they are signed by Plaintiff or an attorney.

11 Based on the foregoing, IT IS HEREBY ORDERED that:

- 12 1. The first amended complaint filed June 11, 2020, is DISREGARDED;
- 13 2. The Office of the Clerk is DIRECTED to reserve the March 27, 2020 screening
14 order (ECF No. 10) on the current address of record;
- 15 3. Plaintiff SHALL FILE a first amended complaint within **thirty (30) days** of the
16 date of service of this order;
- 17 4. No further filings will be accepted from Plaintiff in this action unless they contain
18 the signature of Plaintiff or her attorney should she obtain one; and
- 19 5. Failure to file an amended complaint in compliance with this order will result in
20 the recommendation that this action be dismissed for failure to state a claim.

21 IT IS SO ORDERED.

- D. **LATE PAYMENT:** If rent is not paid by midnight on the Fifth (5th) day of any calendar month, a late charge of \$ 60.00 shall be immediately due and payable. Further, in the event the rent is paid by a check returned by the bank for any reason, in addition to the late charge set forth above, an NSF fee shall also be due and payable in the sum of \$25.00. Lessee agrees that the combination of late charges, returned check charges, and other fees provided for by this paragraph is a reasonable estimate of Lessor's bank charges, administrative fees, and other damages which would otherwise be difficult or impractical to ascertain.
- E. All payments received after the 5th day of the month must be in the form of a cashier's check or money order. A check or money order from persons not named on the lease must be returned to Lessee. Monies paid will be applied first to any previous balance due on Lessee's account including rent, late charges, returned check charges, and damages; and secondly to current rent.
- F. **LIABILITY:** All parties to the Lease Agreement are responsible for the timely payment of the rent. Moving out does not automatically relieve a party of this responsibility. Lessor must be given and must approve a written notice, signed by all parties to the lease, that one party is vacating the Unit, and a new Lease Agreement (subject to Lessor's approval) must be signed by the remaining party or parties, provided remaining party or parties qualify.
- G. In the event a rent check is returned by the bank for any reason Lessee agrees that Lessor may require Lessee to make future rent payments in the form of money order or cashier's check only.
- H. **DEFAULT:** Should Lessee default on the 12 month Lease Agreement or vacate prior to expiration of 12 months, Lessee agrees to reimburse Lessor for any move-in allowances taken, which amount is \$ 0. This is in addition to any other remedies provided under California law. (See Section 6, below.)

Section 3: Deposits

A. Lessee agrees to deposit with Lessor the additional sum of \$ 400.00 as security to be held by Lessor for the faithful performance by Lessee of each and every provision of this Lease, which security Lessee hereby authorizes Lessor to use for any one or more of the following purposes:

- (1) If Lessee vacates or abandons the premises prior to the end of the Term, for daily rent equal to 1/30th of the Total Monthly Rent for each day rent is unpaid until the end of the Term or until Lessor re-rents the premises, whichever event occurs first;
- (2) For repair of damages to the premises, including furnishings and appliances, caused by Lessee, exclusive of ordinary wear and tear;
- (3) For cleaning the premises, if necessary, upon termination of the tenancy, including, but not limited to: any and all painting, including touch-up paint; filling wall holes caused by the hanging of pictures; and cleaning carpets, drapes, walls, doors, windows, refrigerator, range, oven, and electrical fixtures;
- (4) For payment of delinquent rent;
- (5) For payment of any liquidated damages resulting from late rental payment and/or returned checks;
- (6) For locks and keys in the event keys are not returned upon termination of the tenancy;
- (7) For any amount charged under the provisions of paragraph G of section 12.

All sums payable to Lessor under the foregoing provisions shall be payable as additional rent for the premises.

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

DANELLE RENEE SCOGGIN,

Plaintiff,

v.

TURNING POINT CENTRAL
CALIFORNIA,

Defendant.

No. 1:20-cv-00140-DAD-SAB

ORDER ADOPTING FINDINGS AND
RECOMMENDATIONS AND DISMISSING
ACTION

(Doc. No. 16)

On January 28, 2020, plaintiff Danelle Renee Scoggin, appearing *pro se* and *in forma pauperis*, filed the complaint in this action. The matter was referred to a United States Magistrate Judge pursuant to 28 U.S.C. § 636(b)(1)(B) and Local Rule 302.

On July 29, 2020, the assigned magistrate judge issued findings and recommendations, recommending that this action be dismissed due to plaintiff's failure to prosecute, failure to comply with a court order, and failure to state a claim upon which relief can be granted. (Doc. No. 16.) The findings and recommendations were served on plaintiff by mail at her address of record and contained notice that any objections thereto were to be filed within twenty-one (21) days from the date of service. (*Id.* at 6.) On August 10, 2020, the findings and recommendations were returned to the court by the United States Postal Service as undeliverable. On January 6, 2021, plaintiff filed two change of address forms with the court. (Doc. Nos. 17, 18.) The

1 findings and recommendations were again served on plaintiff on January 7, 2021 at her newly
2 listed address of record. To date, no objections to the findings and recommendations have been
3 filed with the court, and the time in which to do so has now passed. Moreover, the findings and
4 recommendations served by mail upon plaintiff at plaintiff's new address of record have not been
5 returned to the court as undeliverable.

6 In accordance with the provisions of 28 U.S.C. § 636 (b)(1)(C), this court has conducted
7 a *de novo* review of the case. Having carefully reviewed the entire file, the court finds the
8 findings and recommendations to be supported by the record and by proper analysis.

9 Accordingly,

- 10 1. The findings and recommendations issued on July 29, 2020 (Doc. No. 16) are
11 adopted in full;
- 12 2. This action is dismissed due to plaintiff's failure to prosecute, failure to obey court
13 orders, and failure to state a claim; and
- 14 3. The Clerk of the Court is directed to close this case.

15 IT IS SO ORDERED.

SHORT TITLE:

CASE NUMBER:

20CECLO1102

Allegation

ATTACHMENT (Number):

(This Attachment may be used with any Judicial Council form.)

To Whom it may Concern:

My name is Danelle Renee Scoggins. I have resided at 3044 Fruit #P For 3 and a half years. When I moved into the housing unit, I was given only one mailbox key and one housing key. The other copies are in the Plaintiff's possession, Falcon Court staff, which is through Turning Point Central California.

During my residency since the beginning of 2017, I have always complied with all their rules of my agreement. However on one day as I returned to my unit I have noticed that my personal property had been tampered with inside my housing unit. Private information had been removed from my possession. My mailbox had also been opened by the Plaintiff. My personal mail had been opened and returned to my mailbox that contained private information. This would occur until I have purchased my own private Post office Box from 2018 until today's current date.

Another occurrence inside my housing unit was discovered that the cables used for communication as well as the internet were cut and that the electric coverings to protect them were removed. When I brought this matter to Latanya the program director with the Plaintiff's attention, she replied that the wires were cut by my youngest son who was only 4 years old at the time. My son is not in any way capable of doing such a heinous thing like this. I believe that my wires were cut to prevent my outside communication with the public. I feel like my privacy and safety was violated.

When the Plaintiff and Staff wanted to make necessary repairs to the housing unit, I would only allow them to enter as long as I was present due to my wires being cut. Furthermore I have also made several maintenance requests to repair my refrigerator from leaking, this has been causing a fire safety hazard. I have made several requests for this to be repaired as well as a request to fix my front door that was broken. I have photo evidence and documents to support these statements.

The Plaintiff has constantly harassed me even though I have always been in compliance with their program, as well as therapy sessions, meetings with my case manager and counseling. The Plaintiff has retaliated against me because I have filed a housing discrimination lawsuit against them. Due to my disability, my housing rights were abused and misused for their own personal gain. The Plaintiff placed me in their unit to cause affliction as well as for unauthorized entering of my dwelling.

SYNOPSIS REPORT:

SYNOPSIS:

Community Service Officer Kongmong Her #C234

On Thursday 03/03/2022 at approximately 1850 hrs, I was working uniformed patrol in the CE District as a CSO (2Z24). I was dispatched to a call for service in regards to a possible attempted residential burglary. I contacted the RP , Danielle Renee Scoggins, via telephone to take the report.

Upon contact, the RP made the following statement:

On 03/03/2022 at approximately midnight, the RP's son was watching TV in his room when he heard a loud noise coming from the window. The RP's son did not say anything at the time of the incident and only told the RP later in the morning. The RP's son stated, he heard what sounded like something hitting the window. The RP stated there is an AC unit on the window and plastic wrapping around the unit. Upon checking the unit, she saw the plastic wrapping had been knocked in.

The apartment is located on the second floor and the window with the AC unit is facing out the back of the apartment. The RP is adamant someone was trying to break in to the apartment from the window and sent photos of the window. At the time of the investigation, there is no indications someone was trying to break in the residence, the RP wanted a report written on the incident.

Narrative

SOURCE: On 12/24/2019 at 1025 hours while assigned as a Cadet in the Central Policing District under detail 9C51, I was dispatched to 3044 N Fruit Ave in regards to a possible vandalism to a vehicle. On arrival, I made contact with VIC-Scoggins, Danelle.

Fresno Police Dept - CA
19081882-1 (Report 1 of 1)

INVESTIGATION: VIC-Scoggins stated that she had parked and locked her vehicle in a parking stall at the above address on 12/23/2019 at around 1930 hours. When VIC-Scoggins returned to her vehicle and started driving to a doctor's appointment on 12/24/2019 at approximately 0800 hours, she heard a loud popping sound come from her window. When she finally stopped her vehicle, she noticed that the driver's side front window to her vehicle was moved out of place. VIC-Scoggins believed that someone had damaged her window by pulling the window outwards. She then called Fresno PD.

On arrival, I observed VIC-Scoggins' vehicle parked with the driver's side window rolled up. The window still works and rolls up and down with no issue. There is a small gap between the top of the window and the door frame as if the window was pulled back. VIC-Scoggins believes that someone has been tampering with her vehicle over the course of the five years she has lived at the location. The vehicle does have a car alarm and when VIC-Scoggins demonstrated what she believed happened by pulling the car window, the car alarm was activated. VIC-Scoggins stated that she did not hear her car alarm go off at any time during the night. I processed surfaces of the vehicle for latent prints but I was unable to locate any. There are cameras located at the apartment complex and a property manager was contacted. The manager stated that they will look into the camera footage and will call back if they find locate any suspect footage that supports VIC-Scoggins' claim. There is no further information at this time.

CONCLUSIONS / DEDUCTIONS: Unknown suspect(s) possibly damaged the front driver's side window to VIC-Scoggins' vehicle leaving a small gap in the window and door frame.

DISPOSITION: VIC-Scoggins was given the case number and Marsy's Law Form.

The vehicle was processed for latent prints.

A property manager was contacted for video surveillance. (559-248-9445) - Turning Point, Falcon Court Apartments.

First Submitted: 03/05/2021 13:59

SOURCE:

On Friday, March 5, 2021 I was assigned to Uniformed Patrol in the Central area of Fresno, detailed as 9C19. At 1132 hour I was dispatched to 3044 N Fruit Ave, Fresno, CA, 93705 an apartment complex, regarding a vandalism on a residence's door.

INVESTIGATIONS:

At approximately 1140 hour I made contact with Victim Danelle Scoggins. Victim Scoggins related between the hours of 1130-1148 hour she notice that the top portion of her front door was damaged while she was out for errands but believes that the damage was done earlier while she was asleep. Victim Scoggins said that the door looked as if it was pried but was not sure with what. Victim Scoggins said that there are cameras in the area and notified management/agency Falcon Court of the apartment complex of the vandalism. Victim Scoggins related that she wanted to file a police report because property damage in the apartment complex is a daily occurrence.

I investigated the area and saw a camera on the East of Victim Scoggins Apartment and another camera on top side by Victim Scoggins apartment window. I checked out the door and confirmed that the top portion of the door was pried. I was not able to brush for any latent prints due to the texture of the paint.

I took the liberty to contact Victim Scoggins apartment management/agency Falcon Court. I was able to get a hold of Angela, who only identified by her first name and related that she was an Intake Assistant of Falcon Court. I asked Angela if the cameras around Victim Scoggins apartment worked which Angela related that they do in fact work. Unfortunately at this time, Angela was not able to provide me immediate footage of the incident. I provided Angela my work email in case she gets the chance to send me the footage.

Fresno Police Dept - CA

NARRATIVE

SOURCE:

On 10/18/18, I was working uniformed patrol in the Central district detailed as 2F41. At approx. 2330 hrs. I was dispatched to 3044 N Fruit Av #P regarding a theft.

INVESTIGATION:

I arrived at approx. 2340 hrs. and contacted the reporting party, who verbally identified herself as V-Danelle Scoggins. She provided the following statement.

Statement of V-Scoggins:

Scoggins stated that approx. 6-7 months ago an unknown suspect stole her CA ID and her social security card from her residence. She could not pinpoint exactly when this occurred. There was never any forced entry to the apartment. She is in a program and they have a key to her apartment but she was also dating several different women during that time period and they would have had access. She did not want to provide me with their names. She noticed the cards missing but did not report it at that time because she thought all she needed to do was go get new ones. She stated that she has a mental disability so it is difficult for her to understand what she needs to do in certain situations.

4-5 months ago she started receiving letters from an unknown credit bureau saying that she had signed up for something. She did not know what exactly it was and stated that she did not have any of the letters. She tried to tell them that she had not signed up for anything but has been unable to cancel anything because she does not know passcodes or security question answers. They told her that they would need a police report before they could provide any assistance.

CONCLUSIONS / DEDUCTIONS:

On an unknown date and time 6-7 months ago, V-Scoggins noticed her ID and social security card missing from her apartment. Approx. 5 months ago she began getting letters from a credit bureau saying that she had signed up for something which she never did. Based on the provided information, I concluded that the unknown suspect S-1 violated PC 484(a)- theft and PC 530.5(a)- use of identifying information to obtain credit. There is no suspect info at this time.

DISPOSITION:

1. AXON body camera footage available.
2. I provided V-Scoggins with a case number and mailed her a Marsy's Law letter.
3. S-1 is outstanding at this time.

SOURCE:

On Tuesday, 9-25-18, I was working uniformed patrol in central Fresno. At approx. 2327 hrs. i was dispatched to 3044 N Fruit regarding a vehicle being burglarized.

INVESTIGATION:

Upon arrival, I came in contact with the RP who identified herself as Danelle Scoggins. Scoggins stated the following.

Statment of Scoggins:

She said she was upstairs in her apt. when she heard a vehicle alarm go off. She went outside to see if it was her vehicle that was going off. As she looked outside she saw two HMA wearing all black near her vehicle. When the two HMA adults saw her they immediately left on their bikes towards Shields and Fruit. She went to go check her vehicle and noticed her alarms were not working anymore on the vehicle. She also saw that there was damage done to her side fenders and noticed there were handprints on her driver side window.

She estimated her damages to the vehicle to be \$200. She also requested to have finger prints done on the vehicle.

I dusted the vehicle and recovered latent prints.

At this time Scoggins wants the events documented.

Cpl. J.Lee #P1320

SOURCE:

On Tuesday, 9-25-18, I was working uniformed patrol in central Fresno. At approx. 2327 hrs. i was dispatched to 3044 N Fruit regarding a vehicle being burglarized.

INVESTIGATION:

Upon arrival, I came in contact with the RP who identified herself as Danelle Scoggins. Scoggins stated the following.

Statment of Scoggins:

She said she was upstairs in her apt. when she heard a vehicle alarm go off. She went outside to see if it was her vehicle that was going off. As she looked outside she saw two HMA wearing all black near her vehicle. When the two HMA adults saw her they immediately left on their bikes towards Shields and Fruit. She went to go check her vehicle and noticed her alarms were not working anymore on the vehicle. She also saw that there was damage done to her side fenders and noticed there were handprints on her driver side window.

She estimated her damages to the vehicle to be \$200. She also requested to have finger prints done on the vehicle.

I dusted the vehicle and recovered latent prints.

At this time Scoggins wants the events documented.

CONCLUSIONS / DEDUCTIONS:

On Tuesday, 9-25-18, I was working uniformed patrol in central Fresno. At approx. 2327 hrs. i was dispatched to 3044 N Fruit regarding a vehicle being burglarized. It appears two HMA were seen near her vehicle when Scoggins went outside to see if her car alarm was going off. The two males saw her and left immediately on their bikes toward Shields and Fruit. Latent prints were obtained from the vehicle and the unknown suspects did not make entry into the vehicle and are still at large.

DISPOSITION:

Scoggins was given a case number.
Latent prints were recovered.

Risks, benefits, alternatives and indications discussed with the patient including bleeding, infection, potential injury to bowel and bladder, anesthesia complications, scar formation and hernia formation. The patient also understood this procedure will make her permanently sterilized and she has given up her rights to have children in the future. Consent was obtained to that effect as well.

DESCRIPTION OF PROCEDURE:

The patient brought to the operating room, timeout was observed. The patient identified by name, medical record number, procedure and indication thereof. The patient was prepped and draped in the usual sterile fashion and placed in the dorsal supine position. With the aid of a 10 gauge scalpel blade, a lower transverse incision was made along the prior abdominal scar from her prior cesarean section. Incision was carried through the subcutaneous layer to the underlying rectus fascia. Rectus fascia was incised sharply in the midline. Incision extended bilaterally using Mayo scissors. Superior aspect of the rectus fascia was tented. Underlying rectus muscle dissected superiorly. Thereafter, the inferior aspect of the rectus fascia was held in similar fashion with a pair of Kocher clamps, underlying rectus muscle dissected to the level of the pubic symphysis bone. The midline of the rectus muscle was entered sharply by dissection with the Bovie device leading to the peritoneal cavity. The peritoneal membrane was incised vertically to make adequate exposure of the contents of the peritoneum. At this time, the contents of the peritoneum were explored manually and the uterus was noted to be mobile with palpable fibroids and noted left ovarian cyst. At this time, self-retaining O'Connor-O'Sullivan retractors were placed after surgical lap sponges were placed to mobilize the bowel from the operative field. With the aid of a pair of Heaney clamp, the cornua of the

bilateral uterus was held as a manipulator. The bilateral tubes were then excised using the EnSeal cautery and cutting device. The specimen was sent to pathology. The round ligaments were incised as such after being clamped with a Heaney clamp and the anterior broad ligament was dissected to develop the bladder flap. The bladder was mobilized inferiorly. The uterine vasculature was also doubly clamped and incised and secured with 0 popoff suture. This was incised bilaterally to the level of the cardinal ligaments. After securing the cardinal ligament, the uterus was amputated from the underlying cervix from below. The uterus was then removed to make adequate exposure of the operative field. Double tenaculum was applied to the uterine stump and the cervical stump and the uterosacral ligaments were doubly clamped and incised bilaterally to the level of the vaginal cuff. The cervix was then removed from the underlying vaginal cuff. The cuff was then repaired with 0 Vicryl suture in continuous fashion with good hemostasis noted. The cervix was removed and sent to pathology as well. The peritoneal cavity was irrigated copiously. The pedicles were revisited and were noted to be hemostatic as such. At this time, the lap sponges and the self-retaining O'Connor-O'Sullivan retractor was removed and the bowel was returned to its prior repose. At this time, the peritoneal membrane was reapproximated with 2-0 Monocryl suture in continuous fashion. This was followed with reapproximation of the 0 Vicryl suture. This was followed with the reapproximation of the rectus fascia using 0 Vicryl suture in continuous fashion. The subcutaneous layer was reapproximated with 4-0 Vicryl pop-off suture. The skin was reapproximated with disposable staples. Incision was dressed with pressure dressing with tape and gauze. The patient tolerated the procedure well. The patient was sent to recovery room in stable condition after successful extubation. All lap sponges, equipment, clamps, tools and supplies were accounted for x3.
